Dear Mr Garrett

Thank you for your email.

It is my understanding that in regards to the AAT decision dated 1 July 2020 (reference 2020/0039) that you are seeking review of the following:

1. whether the AAT conducted adequate searches to find all of the documents/information within the scope of your FOI request, and
2. the AAT's decision to stamp a document 'received not filed' on 17 April 2020.

Please be advised that point 1 above will be considered in this IC review application. However, point 2 is not within the OAIC's jurisdiction as we can only handle matters that relate to FOI or privacy. You are not correct.....officers of the State are officers of the Commonwealth and fall under your jurisdiction.

There is only ONE Constitution; the State Constitutions were saved and are parts of the Constitution; which parts are immutable from the date of Royal Assent granted to *the Commonwealth of Australia Constitution Act 1900* (UK)

Comply.

You may wish to contact the Commonwealth Ombudsman for further assistance should your internal complaint with the AAT not be handled appropriately.

Kind regards

Stephanie Mayhew

Dear Ms Mayhew

**Exhibit AMG 1624** sets out as attached, in which regard I have sought a review of the exercise of Public Power conferred under an enactment by the Higher Courts Registry to stamp an Interlocutory Application as “Received not filed”; it was listed and dismissed as 2020-2416.

Without exception the AAT has failed to name the decision makers correctly despite being clearly set out in the applications;

Why do you claim the decision is wrong? \*

the Stamping of any document as Received NOT Filed by Registry is a fraud made outside of Jurisdiction as a matter arising under s33 of the Judiciary pursuant to the principle of ex debito justitiae

There must be materials falling the definition of materials to be disclosed under FOI disclosure that have not been released related to;

1. Correspondence between the Supreme Court Registry/ Higher Courts Registry (the Agency) and the AAT
2. The Agency Obligations to assist the AAT under the Legal Services Directions (**Exhibit AMG 424**)

I do not await any correspondence from the AGS as you suggest nor is that relevant to your review decision at this juncture.

Kind Regards

**Andrew Garrett**

Your reference: AMG 1597

Dear Mr Garrett

Thank you for your correspondence seeking to lodge an IC review application with the [Office of the Australian Information Commissioner](#) (the OAIC) about the Administrative Appeals Tribunal (the AAT).

I would be grateful if you could please provide an explanation of this matter by **22 July 2020**.

I cannot locate a decision from the AAT that can be reviewed. It appears that you are still awaiting a response from the Australian Government Solicitor in relation to this.

Thank you for your assistance.

Kind regards

Stephanie Mayhew
