Australian Taxation Office
Attn Chris Jordan, Trevor Coulter, Siobhan Unwin & Neville Thomas

Dear Sirs and Madame

I have made application to the Freedom of Information Commissioner for permission to File and Serve a Number of FOI applications on the ATO, the administrative decisions related to the consent required of the OAIC remain outstanding for reasons of protecting you from being held accountable for your unlawful, invalid and criminal conduct consistent with the reasons of Logan J in *Shord v Commissioner of Taxation* which subject I have addressed with you on more than one occasion.

Despite the various Notices of Actual and Apprehended Bias served upon you I note that you continue to interfere in the financial affairs of entities related to me.

You have defamed me at every opportunity as a part of the application of "*the Bethcar Strategy*" by you in order to obtain a financial benefit for the Crown and you personally.....ergo the matters is Criminal Defamation.

I refer to the attached email sent to the Office of the Australian Information Commissioner which relevantly sets out;

I ask you to consider this communicate as an application in writing under the provisions of *the Freedom of Information Act 1982 (Cth)* directed to the Australian Information Commissioner and his personnel for

1. Permission from the Australian Information Commissioner to file and serve on the Commissioner of Taxation and application under the FOI Act as follows;

I ask you to accept this communicate as an application in writing pursuant to the provisions of the FOI Act 1982 (Cth) for a copy of any document thing related to the email chain below and the phone call made by Trevor Coulter to the Shareholders of Progressive People (Australia) Pty Ltd on the 24th April 2018 Ltd in your possession and control including any minutes of meetings, notes on telephone calls and email correspondence authored by officers of the ATO and the Crown generally.

It has come to my attention that Trevor Coulter acting on the instructions of the team leader, Siobhan Unwin and their co-conspirator, Neville Thomas contacted the vendors of shares held in Progressive People Pty Ltd and said words that were defamatory of me and Directors of Trustee entities.

This identical unlawful and criminal pattern of behaviour has occurred previously in respect to;

1. Quo Warranto Crown Action 13./03/2018 Pty Ltd
2. The Gunn Group of Entities
3. Garage Wine Group
4. Amongst others

I have instructed counsel to prepare a Notice of Imputed Concerns which matter will be the subject of the foreshadowed application for a Writ of Quo Warranto seeking findings of indictable offences against you.
